Diana's Recent Articles

Professional Background

The respected pharmacist and writer, Dr. Diana Rangaves, is a California State Board-certified pharmacist with comprehensive experience in psychopharmacology, deploying pharmacy practice models, and managing automated pharmacy systems. Her career highlights span 35 years with notable positions, such as:

- Interim Director and Clinical Pharmacist | Aurora Behavioral Health Acute Psychiatric Hospital
- Tenured College Professor and Director of the Pharmacy Technician Program | Santa Rosa Junior College
- Clinical Faculty for Pharmacy, Nursing, Alcohol and Other Drug Studies | Santa Rosa Junior College
- Clinical Pharmacist, Integrative Medicine Practitioner | EPIC Care ~ Implementation Patient-Centered Model
- Clinical Pharmacy Services Liaison | Sonoma West Medical Center Hospital
- Executive Editor | Healthcare Worldwide Central e-Magazine

As a graduate of the University of California San Francisco, her subject matter expert captures the educational

Education:

- Doctor of Pharmacy (PharmD) | University of California, San Francisco
 - Associate of Science (AS) | City College of San Francisco
-

mindset of complex material delivering information through diligent research and systematic interviews focusing on truth and objectivity.

Now in her career, she enjoys writing educational articles while on her farm, watching her rescued pasture pets eat their hay. An avid animal parent and pet foster mom for PapHaven Rescue, she lives with her rescue dogs and pasture pets in their forever home.
